St Hill Pharmaceutical Corporation Receives 2009 New York Award

WASHINGTON D.C., June 8, 2009 -- St Hill Pharmaceutical Corporation has been selected for the 2009 New York Award in the Vitamin Food Stores category by the U.S. Commerce Association (USCA).

The USCA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USCA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2009 USCA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties.
